

DENTALVETS REFERRALS

DIRECTIONS TO:

DentalVets Referral Clinic
31 Station Hill
North Berwick
EH39 4AS

Tel: 01620 890002

By Train

Scotrail run direct trains from Edinburgh (Waverley) to North Berwick. These take from 22 to 33 minutes and run every hour except rush-hour when there is a half hourly frequency. Our clinic is a three minute walk from the station. Exit the station and turn left on Station Road. At the crossroads (about 50 yards), turn right down Station Hill and we are the first shop on the right. The timetable can be downloaded as a PDF file at <http://www.firstgroup.com/scotrail/tt/1166111782-Route15.pdf>

By Road

SatNav Directions

Our postcode is EH39 4AS. Our Address is 31 Station Hill, North Berwick.

Good websites for directions are:

<http://www.rac.co.uk/web/routeplanner/>

FROM EDINBURGH

Access the **A1** or the **City Bypass (A720)** and travel **East** towards the **A1**.

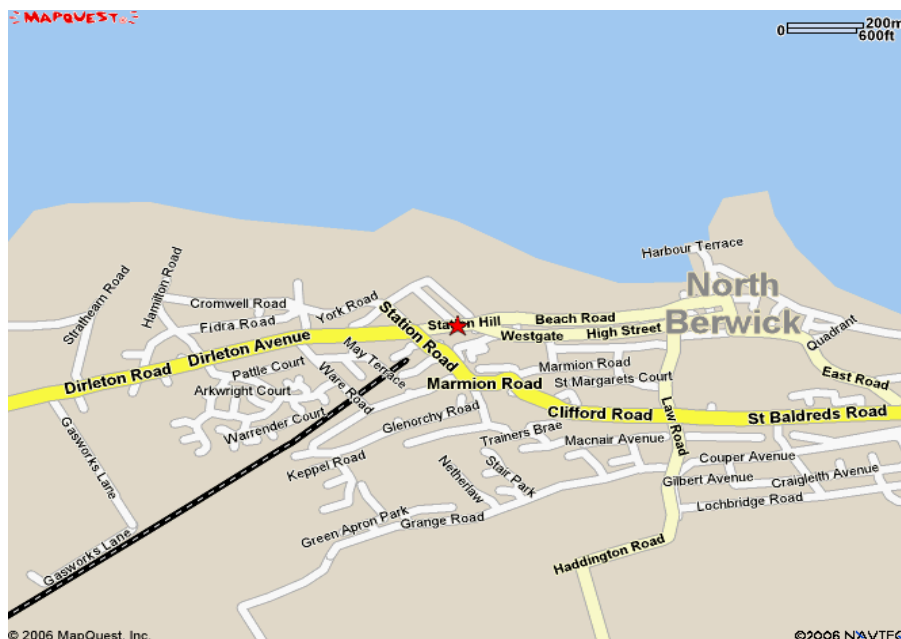

Leave the **A1** at the **Bankton Junction** and follow **A198** signposted to North Berwick. This will take you initially to Longniddry. At the roundabout next to the railway station in Longniddry you have two choices.

1. The coastal scenic route sticks with the **A198** and goes through **Aberlady** and **Gullane** following the coast. Nice views and about 10 minutes longer than the inland route.

2. The inland route follows the **B1377 from Longniddry station** roundabout and becomes the **B1345 at Drem**. It joins the **A198** at Dirleton. Turn right at the T junction when it meets the **A198** and proceed to North Berwick.

Enter North Berwick and drive straight towards the town centre. We are the first shop building on the right approximately 0.7 miles from the 30 mph signs at the edge of town. Just before our clinic you will see a sign to the rail station on the right. There is ample free parking at the station (only 100 yards from us) or in either York Road or West Bay Road opposite us.

FROM THE NORTH

Take the **Forth Road Bridge** and come off left following **A8000** just after bridge. Aim for Edinburgh via the M8 east to the **Hermiston Gait junction**. Aim then for Berwick (**A1**) or Edinburgh City By-Pass (**A720**). Once on A720 follow direction as for Edinburgh above.

FROM THE WEST

Take the **M8 to Edinburgh** and at the end of the motorway (Hermiston Gait junction), aim for **Berwick (A1) or Edinburgh City By-Pass (A720)**. Once on A720 follow direction as for Edinburgh above.

FROM THE SOUTH

From Northumberland and Tyneside:

Take the **A1 north**. At **Dunbar do NOT take the A1** dual carriageway but continue round roundabout to the **A199** and follow this parallel to the A1 until **North Berwick A198** is signed. Turn right onto the A198 and follow to North Berwick. **Follow the A198 through North Berwick (signed Edinburgh)** via Tantallon Road, Dunbar Road, St Baldreds Road and Clifford Road. You will pass the Rail Station on your left. Just past the station is a crossroads. Turn right down the hill and we are the first shop on your right. Alternatively, park at the station and walk the last 100 yards.

From Cumbria and South West Scotland

Take the **M74 and follow directions to Edinburgh**. Just past the city limits you need to turn right (**east**) onto the **City By-Pass A720**.

Once on the A720 follow directions as for Edinburgh.

North Berwick and things to do:

If you intend to remain in the North Berwick area while your pet is with us there are a number of activities we can supply details for. North Berwick is a picturesque harbour town with outstanding beaches and coastal walks within the town and nearby. The John Muir Country Park is only 4 miles away. Check the website on:

<http://www.eastlothian.gov.uk/content/0,1094,1002,00.html>

There are many excellent golf courses within 5 miles and the award winning Scottish Seabird Centre <http://www.seabird.org/home.asp> is located at the harbour. If you require B&B accommodation we will endeavour to assist you with this. The Visit Scotland tourist office can be found at www.visitscotland.com.

Our reception can provide you with more detailed information in advance or on the day.
